Aurora Prayer Breakfast Sponsorship Opportunities

The Aurora Prayer Breakfast is a not-for-profit event, focusing on gathering to pray for our elected officials, business leaders and the residents in Aurora; as taught in I Timothy 2:2 of the Holy Bible. In addition, we are impacting the Youth of our region who will become the leadership of the future.

This year, we are very pleased to have as our speaker the President and CEO of Yonge Street Mission, Dr. Rick Tobias. Best-known for his life-long advocacy on behalf of low-income and marginalized people, Rick was invited to become the agency's CEO in 1989 after his innovative work at the Mission's Evergreen Centre, which he refocused to address the needs of street youth.

Appearing frequently on television, on radio, and in print, Rick is a sought-after speaker, consultant, and coach. He lives in Toronto with his wife, Charis, and continues to lead staff and volunteers in crafting programs that help break the cycle of multi-generational poverty.

It is our intent to have 140 of the available 500 seats filled by the young people of our area.

We ask you to seriously consider supporting this project by committing to one of a number of sponsorship opportunities.
