Aurora Prayer Breakfast Sponsorship Opportunities

The Aurora Prayer Breakfast is a not-for-profit event, focusing on gathering to pray for our elected officials, business leaders and the residents in Aurora; as taught in I Timothy 2:2 of the Holy Bible. In addition, we are impacting the Youth of our region who will become the leadership of the future. It is our intent to have 140 of the available 500 seats filled by the young people of our area.

This year's speaker, **Faytene Kryskow Grasseschi**, has been in Christian service full-time since 1997. She began her ministry in Vancouver's Downtown Eastside where she led street outreaches aimed at bringing the love of God to people with addiction issues, the poor, and the homeless.

In recent years, Faytene has devoted herself to 4MYCanada, an activist group that equips young Canadians to engage with the political process and be a voice for socially conservative values, and TheCRY Movement, which hosts mass prayer meetings. In July of this year, Faytene and others lead focused Prayer for Canada at Massey Hall, Toronto, with an estimated crowd of 2,750 people. She and her husband, Robert, travel extensively as speakers and evangelists.

We ask you to seriously consider supporting this project by committing to one of a number of sponsorship opportunities.
