## Aurora Prayer Breakfast

The Aurora Prayer Breakfast is a not-for-profit event, focusing on the gathering to pray for our elected officials, business leaders and the residents in Aurora: as taught in 1 Timothy 2:2 of the Holy Bible. In addition, we are impacting the Youth of our region who will become the leadership of the future. It is our intent to have approximately 150 of the 500 available seats filled by students.

### What is a Prayer Breakfast?

A Prayer Breakfast is a program whereby the entire community gathers together at a breakfast meeting of approximately 500 attendees to pray for every aspect of our community. It is planned and managed by our churches to invoke God's blessing on everyone.

All aspects of the community are prayed for:

- all 4 levels of our government - federal, provincial, regional and municipal
- our education system
- our emergency services - police, fire, EMS
- our health care system - practitioners and the hospital
- our businesses
- our charities
- our churches

### Benefits to the Community of an Annual Prayer Breakfast

- excellent educational value to our high school students. We endeavour to provide free tickets to them. They include approximately 30% or more of those attending.
- businesses sponsor the students who come free. This provides an excellent opportunity for businesses to contribute to building good character in our students and further their reputation in the community.  
prayer contributes positively to building good character in all of our citizens in encouraging and respecting every part of our community and building unity of purpose.
- building relationships between the various players in our community. Businesses supporting and encouraging charities, churches volunteering in social service programs, parents and churches volunteering in our schools, businesses and charities co-operating with various levels of government, and many more.
- the opportunity to hear a speaker whose personal and/or business experience has something worthwhile to contribute to how we each interact with our community in the most beneficial way.
- the opportunity to showcase our local musical talent and benefit from their inspiration.
- the opportunity for each person attending to interact and encourage hundreds of others in our community.

### Herbie Kuhn God & The Athlete in 2019 Effecting Our Future Generations For Christ

Herbie Kuhn is known as the "Voice of the Toronto Raptors" and has been the announcer for the team since their inception in 1995. As the in-house Voice of the Toronto Raptors, Canada's only National Basketball Association franchise, his voice is instantly recognizable to any fan who has ever attended a game at the Air Canada Centre. His role is to relay to fans the events happening on-court and Herbie does that with tremendous elan!

In addition to announcing, Herbie is the co-Chaplain of the Raptors, leading the teams' players in a chapel service before games plus conducting Bible studies and supporting them in their personal challenges. He is also Chaplain for the Toronto Argonauts of the CFL, and accomplished master of ceremonies and motivational speaker. His list of talents also includes voice-overs, commercials and freelance sports writing.

Herbie is one of the most gifted evangelists in the nation. It is a regular occurrence that when Herbie speaks at an outreach event, several hands go into the air to signify that someone in the crowd has just accepted Christ as their Saviour.

Herbie has spoken to church groups in virtually every imaginable setting: worship services, men's breakfasts, prayer rallies, golf tournaments, outreach events, youth rallies, retirement homes, schools, sports organizations and more. And he and his wife Stephanie team up and do marriage retreats and conferences.
